The 1968 Eye Hotel Novella Hotel is a historic hotel in San Francisco's North Beach neighborhood. It was once a haven for writers, artists, and musicians, and its walls are adorned with their work. Today, the hotel is a popular destination for tourists and locals alike.

The hotel was built in 1908 and was originally known as the Occidental Hotel. In 1968, it was purchased by a group of artists and writers who renamed it the Eye Hotel. The Eye Hotel quickly became a hub for the counterculture movement in San Francisco. Writers such as Allen Ginsberg, Jack Kerouac, and Lawrence Ferlinghetti stayed at the hotel, and artists such as Andy Warhol and Robert Crumb created works of art on its walls.

In 1977, the Eye Hotel was closed due to financial problems. It was reopened in 1980 as the Novella Hotel, and it has been operating ever since. The Novella Hotel is still a popular destination for artists and writers, and its walls are still adorned with the work of its former guests.

The Hotel Today

The Novella Hotel is a small, unassuming hotel with just 24 rooms. The rooms are simple and basic, but they are clean and comfortable. The hotel has a communal kitchen and a lounge where guests can socialize. The Novella Hotel is also home to a small art gallery and a bookstore.

The Novella Hotel is a unique and special place. It is a place where history and culture come together. The hotel is a reminder of the counterculture

movement in San Francisco, and it is a place where artists and writers can still find inspiration.
