Despite their contrasting appearances and lifestyles, Beep and Bah cross paths on an autumn day when Bah wanders astray from his home. As Beep watches in concern, Bah becomes entangled in a thorny bush. Without hesitation, Beep rushes to his aid, carefully freeing Bah from its captivity.

## **A Bond is Born**

As Beep and Bah spend time together, they realize that their differences are not a barrier but a source of fascination. Beep admires Bah's rugged spirit and his unwavering optimism, while Bah is drawn to Beep's gentle nature and his meticulous grooming habits.

Together, they play hide-and-seek in the tall grass, share their favorite foods, and laugh at each other's silly jokes. Their friendship blossoms amidst the rolling hills and crystal-clear streams, proving that true connection transcends physical appearances and social norms.

## **The Test of Acceptance**

Their bond is put to the test when the two sheep return to their respective flocks. Beep's fellow ボーダーレスターズ express disapproval of his association with the shaggy Hebridean, while Bah's flock questions his willingness to befriend a creature so different from themselves.
