Manfred Steger is a leading scholar in the field of global studies. His work has had a major impact on the way we think about globalization, cosmopolitanism, and empire. In honor of his contributions to the field, a number of scholars have written essays in his honor. These essays are collected in the volume \*Essays In Honor Of Manfred Steger\*, which was published in 2020.

The essays in this volume cover a wide range of topics, from Steger's contributions to the field of global studies to his work on globalization, cosmopolitanism, and empire. The essays are written by a variety of scholars, including some of the leading figures in the field of global studies.

## Overview of the Essays

The first essay in the volume, by Stephen Gill, provides an overview of Steger's contributions to the field of global studies. Gill argues that Steger has been one of the most important figures in the development of the field, and that his work has helped to shape our understanding of globalization, cosmopolitanism, and empire.

The second essay, by Jan Aart Scholte, examines Steger's work on globalization. Scholte argues that Steger has been one of the most influential scholars in the field of globalization studies, and that his work has helped to shape our understanding of the process of globalization.

The third essay, by Ulrich Beck, examines Steger's work on cosmopolitanism. Beck argues that Steger has been one of the most important figures in the development of cosmopolitanism, and that his work has helped to shape our understanding of the concept of cosmopolitanism.

The fourth essay, by Michael Hardt, examines Steger's work on empire. Hardt argues that Steger has been one of the most important figures in the development of the concept of empire, and that his work has helped to shape our understanding of the role of empire in the global system.

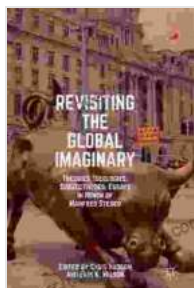

### **Assessment of the Volume**

The essays in *\*Essays In Honor Of Manfred Steger\** provide a comprehensive overview of Steger's contributions to the field of global studies. The essays are written by a variety of scholars, including some of the leading figures in the field, and they cover a wide range of topics. The volume is a valuable resource for anyone interested in the work of Manfred Steger, and it is a must-read for anyone interested in the field of global studies.

However, the volume also has some limitations. One limitation is that the essays are all very positive. There is no critical engagement with Steger's work, and the essays do not provide a balanced assessment of his contributions to the field. Another limitation is that the volume does not include any essays by Steger himself. This is a missed opportunity, as it would have been valuable to hear Steger's own reflections on his work.

Overall, *\*Essays In Honor Of Manfred Steger\** is a valuable resource for anyone interested in the work of Manfred Steger, and it is a must-read for anyone interested in the field of global studies. However, the volume also has some limitations, which should be kept in mind when reading the essays.
