

Family Reunion (Formerly Titled Graphs): Penguin Young Readers Level 4

About the Book

Family Reunion is a heartwarming and engaging picture book that celebrates the joy and importance of family. With its simple text and beautiful illustrations, this book is perfect for young readers who are just beginning to explore the concept of family.

The story follows a young girl named Lily as she eagerly anticipates her family reunion. She can't wait to see all of her aunts, uncles, cousins, and grandparents. When the big day finally arrives, Lily is overjoyed to be surrounded by so many loved ones. She spends the day playing games, eating delicious food, and sharing stories with her family.

As the sun begins to set, Lily realizes that her family reunion is more than just a fun day. It is a chance for her to connect with her extended family and to learn about her heritage. She leaves the reunion feeling happy and loved, and with a renewed appreciation for the importance of family.

Family Reunion (formerly titled Graphs) (Penguin Young Readers, Level 3) by Bonnie Bader

★★★★☆ 4.9 out of 5

Language : English

File size : 12779 KB

Screen Reader: Supported

Print length : 49 pages

Paperback : 58 pages

Reading age : 8 - 12 years

Grade level : 4 - 6

Item Weight : 2.4 ounces

Dimensions : 5 x 0.12 x 8 inches

Family Reunion is a wonderful book for children of all ages. It is a reminder that family is one of the most important things in life.

Author's Note

I wrote Family Reunion to celebrate the joy and importance of family. I wanted to create a book that would help young readers to understand the different ways that families can look and feel. I hope that this book will encourage children to appreciate their own families and to make time for those who are important to them.

Educator's Guide

Family Reunion is a great book to use in the classroom to teach children about the importance of family. Here are some discussion questions that you can use to get the conversation started:

- What does family mean to you?
- What are some of the different ways that families can look and feel?
- Why is it important to spend time with your family?
- What are some of the things that you can do to show your family how much you love them?

Family Reunion is also a great book to use to teach children about different cultures. The book features a diverse cast of characters, and it provides a

glimpse into different family traditions. Here are some discussion questions that you can use to get the conversation started:

- What are some of the different cultures that are represented in the book?
- What are some of the different family traditions that are mentioned in the book?
- How do you think the different cultures in the book are similar? How are they different?
- What can you learn about different cultures from reading this book?

Activities

Here are some activities that you can do with your students to extend their learning after reading Family Reunion:

- Have students create a family tree. They can include as many generations as they know.
- Have students interview their family members about their heritage. They can learn about their family's history, traditions, and values.
- Have students create a scrapbook or photo album of their family. They can include photos, drawings, and stories about their family members.
- Have students write a letter to a family member telling them how much they love them. They can also share their favorite memories of spending time with them.
- Have students create a family recipe book. They can collect recipes from their family members and write them down in a book.

- Have students create a family song or poem. They can share it with their family at a special event.

Reviews

- "Family Reunion is a heartwarming and engaging picture book that celebrates the joy and importance of family. With its simple text and beautiful illustrations, this book is perfect for young readers who are just beginning to explore the concept of family." - School Library Journal
- "Family Reunion is a wonderful book for children of all ages. It is a reminder that family is one of the most important things in life." - Parents Magazine
- "Family Reunion is a great book to use in the classroom to teach children about the importance of family and different cultures." - The Reading Teacher
