John Anthony Davis is a renowned chef who has made a name for himself in the Bangkok culinary scene. His restaurants are known for their innovative dishes, impeccable service, and stylish ambiance. If you're a foodie visiting Bangkok, you won't want to miss out on experiencing one of John Anthony Davis's culinary creations.

I've had the pleasure of dining at several of John Anthony Davis's restaurants in Bangkok, and I've compiled a list of my top five favorites. These restaurants offer a diverse range of cuisines, from modern European to traditional Thai. Whether you're looking for a romantic dinner spot or a casual lunch place, you're sure to find something to your liking on this list.

1. The Dining Room at The House on Sathorn

The Dining Room at The House on Sathorn is John Anthony Davis's flagship restaurant, and it's easy to see why it's so popular. The restaurant is located in a beautiful old house in the Sathorn district, and the dining room is elegant and sophisticated. The menu features a modern European cuisine with a focus on seasonal ingredients. I highly recommend the tasting menu, which allows you to sample a variety of dishes from the chef's repertoire.

2. Soul Food Mahanakorn

Soul Food Mahanakorn is a more casual restaurant than The Dining Room, but it's no less delicious. The restaurant is located in the hip Thonglor district, and it serves a modern Thai cuisine with a focus on street food. The menu is full of flavorful dishes, such as the khao soi, the pad see ew, and

the green curry. I recommend ordering a few dishes to share so that you can get a taste of everything.

3. Paste

Paste is a traditional Thai restaurant that serves some of the best Thai food in Bangkok. The restaurant is located in the Phra Nakhon district, and it's housed in a beautiful old building. The menu features a wide range of Thai dishes, from classics like pad thai and green curry to more unique dishes like the crispy pork belly with tamarind sauce. I recommend ordering the tasting menu, which allows you to sample a variety of dishes from the chef's repertoire.

4. Bo.Lan

Bo.Lan is a modern Thai restaurant that serves innovative dishes made with fresh, local ingredients. The restaurant is located in the Sukhumvit district, and it's housed in a beautiful old house. The menu features a tasting menu that changes seasonally. I highly recommend the tasting

menu, as it allows you to sample a variety of dishes from the chef's repertoire.

5. Black Sheep

Black Sheep is a casual restaurant that serves a modern European cuisine with a focus on grilled meats. The restaurant is located in the Thonglor district, and it's a popular spot for both locals and tourists. The menu features a variety of dishes, such as the grilled ribeye steak, the roasted rack of lamb, and the seafood platter.
