The Omnibook contains a wide range of jazz standards, from classic swing tunes to bebop anthems. Each arrangement is meticulously transcribed, capturing the subtle nuances and improvisational flourishes of Davis' own performances.

The standards are organized into three main sections: ballads, medium tempos, and up-tempo tunes. This organization allows musicians to easily find the appropriate repertoire for any performance setting.

In addition to the transcribed solos, the Omnibook also includes chord charts, bass lines, and other helpful information. This comprehensive approach provides a thorough understanding of each tune, enabling musicians to fully grasp the harmonic and melodic structures.
