The series is divided into four volumes:

- Volume 1: Problem Identification and Analysis
- Volume 2: Solution Development and Implementation
- Volume 3: Evaluation and Impact Assessment
- Volume 4: Leadership and Problem-Solving

Each volume is written by a team of experts in the field of public administration and public policy. The handbooks are designed to be used by public servants at all levels of government, from frontline staff to senior managers.

Volume 1: Problem Identification and Analysis

The first volume of the Public Solutions Handbook Series provides a step-by-step guide to problem identification and analysis. It covers topics such as:

- Defining the problem
- Gathering data
- Analyzing the data
- Developing a problem statement

This volume is essential reading for public servants who want to develop a deep understanding of the problems they are facing and the best ways to address them.

Volume 2: Solution Development and Implementation

The second volume of the Public Solutions Handbook Series provides practical advice on how to develop and implement solutions to public problems. It covers topics such as:

- Brainstorming solutions
- Evaluating solutions
- Developing an implementation plan

- Managing the implementation process

This volume is essential reading for public servants who want to develop and implement effective solutions to the problems they are facing.

Volume 3: Evaluation and Impact Assessment

The third volume of the Public Solutions Handbook Series provides guidance on how to evaluate the effectiveness of public programs and policies. It covers topics such as:

- Developing evaluation plans
- Collecting data
- Analyzing data
- Reporting evaluation results

This volume is essential reading for public servants who want to ensure that their programs and policies are making a positive impact.

Volume 4: Leadership and Problem-Solving

The fourth volume of the Public Solutions Handbook Series provides advice on how to lead effectively in a problem-solving environment. It covers topics such as:

- Creating a culture of problem-solving
- Building teams
- Motivating staff
- Managing conflict

This volume is essential reading for public servants who want to develop their leadership skills and create a more effective problem-solving environment.

The Public Solutions Handbook Series is an essential resource for public servants at all levels of government. It provides practical advice and tools to help public servants identify, analyze, and solve problems effectively. The handbooks are a valuable resource for anyone who wants to make a positive impact on the public sector.
