Ibn Battuta was born in Tangier, Morocco, in 1304. He began his travels at the age of 21, and he spent the next 29 years traveling to over 40 countries in Asia and Africa. He visited some of the most important cities of the time, including Mecca, Medina, Damascus, Cairo, Constantinople, and Delhi.

Ibn Battuta's travels were not without their challenges. He was often robbed, and he was even imprisoned for a time. However, he never gave

up on his dream of exploring the world. He was a devout Muslim, and he believed that his travels were a way of spreading the word of Islam.

Ibn Battuta's book is a fascinating account of his travels. It is full of vivid descriptions of the people, places, and cultures that he encountered. The book is also a valuable source of information about the history of the Afro-Eurasian world during the 14th century.

The Broadway Travellers

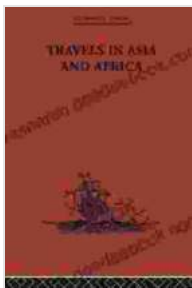

The Broadway Travellers was a group of British travelers who traveled to Asia and Africa in the 19th century. The group was founded by Thomas Cook, and it was one of the first organized tours of the region. The Broadway Travellers visited some of the same places that Ibn Battuta had visited, and they wrote about their experiences in a series of books.

The Broadway Travellers were a diverse group of people. They included men and women, young and old, and rich and poor. They were all united by their love of travel and their desire to see the world. The Broadway Travellers made a significant contribution to the understanding of Asia and Africa. Their books and articles helped to dispel many of the myths and stereotypes that existed about the region.

The Legacy of Ibn Battuta and the Broadway Travellers

Ibn Battuta and the Broadway Travellers were both pioneers in their own way. They were among the first people to travel extensively to Asia and Africa, and they helped to open up these regions to the world. Their books and articles continue to be valuable sources of information about the history and culture of the Afro-Eurasian world.

The legacy of Ibn Battuta and the Broadway Travellers is one of exploration and discovery. They were both driven by a desire to see the world and to learn about different cultures. Their travels helped to shape our understanding of the world, and they continue to inspire us today.
